

# Stormwater Roundtable

Thurs, Mar 4, 2010  
7pm

## RE-INVENTING RAINWATER MANAGEMENT

*A Strategy to Protect Health and Restore Nature in the Capital Region*

Find out how stormwater threatens public health, salmon, shellfish and the survival of orcas. Join Adam Campbell, Deborah Curran and Calvin Sandborn as they present the new ELC report "Re-inventing Rainwater Management" and discuss some of the strategies to deal with these and other problems related to stormwater.

### Other guest speakers:

**Dr. Shaun Peck** (Former Medical Health Officer, Capital Regional District)

**Ian Bruce** (Peninsula Stream Society)

**Robert Bridgeman** (Friends of Mount Douglas Park Society)

**Adam Olsen** (Central Saanich Councillor, member of Tsartlip First Nation)

**Representatives from local governments**

**University of Victoria**  
**Fraser Building, Room 159**  
**Thursday, March 4, 2010**  
**7pm**
